

The Bible says, "God commended His love toward us, in that, while we were yet sinners, Christ died for us." He gave His sinless life on the cross, showing the depth of God's love for us. We broke God's Law—He paid the fine so that we could be free from its perfect demands. Then He rose from the dead, and defeated the power of the grave.

If you repent, trust in the Savior and obey His word, God will forgive your sins and grant you everlasting life. The Bible says that all humanity is held captive to the fear of, and power of death (Hebrews 2:15). If you don't face your fear of death, then you will run from it until the day you die and that day will come. The proof of your sin will be your death. Today, not only face the reality that you will die, but do something about it, obey the Gospel and live. Confess your sins to God, put your faith in Jesus Christ, then read the Bible daily and obey what you read. God will never let you down. Why is one box empty on the cover of this tract?
