

The "just" are those who God has cleansed.

The unjust are those whose sins are seen by God. You need the Savior, Jesus Christ. He died to make you "just," just as if you had never sinned. Don't despise such love. Love gives you the choice: mercy or justice . . . life or death. How mad is God? — as mad as Hell. It will take Hell to satisfy the fury of a holy God. If you don't trust the Savior, there will be Hell to pay . . . and that will take eternity. Read Psalm 51. Make it your own prayer, then put your faith in Jesus. He will make you just. Now read the Bible daily and obey what you read.
