

A new federal law now allows the U.S. Transplant Association to offer cold cash for the donation of a human eye.*

Doctors maintain that they can remove an eye painlessly, in one hour, and replace it with an identical false eye, leaving you with one million dollars, tax free, in your hand. All you have to do is call the Association on their (800) number to apply.

Would you sell an eye for one million dollars? Maybe. How about both for fifty million? No one in his right mind would.

Your eyes are priceless, but the Bible says you should despise your eye compared to the value of your soul—the life that peers out of your eyes.

Jesus said that if your eye causes you to sin, "pluck it out and cast it from you," for it would be better to enter Heaven without an eye, than to go to Hell with both. If your eyes are looking at sexually explicit literature or movies, then understand that God considers lust to be adultery of heart (Matthew 5:27-28). In fact, if you hate someone, the Bible says you are a murderer. Our perfect and holy Creator looks at your thought life.
